365 days he's been looking my way
Tryin' to fool me tryin' to tell me he's a friend of mine
Doin' everyting yeah to make me feel weak
Won't surrender gonna lose no sleep

I am a believer - I'll live forever and a day
I'm the sole retriever of all that comes my way
They have tried to break me - I've kept my two feet on
the ground
But if demons try to take me I won't back down

Sometimes I'm freezin' I'm feelin' so cold
'Cause there's a thief in the night
Who's dependent on taking my soul to make him right
Maybe he's disguised in a three-piece suit
Won't be forgiving gonna do what I choose

I am a believer - I'll live forever and a day
I'm the sole retriever of all that comes my way
They have tried to break me - I've kept my two feet on
the ground
But if demons try to take me I won't back down

But they have tried to break me
I've kept my two feet on the ground
If the demons try to take me
I won't back down, no, no

I won't let them take me baby
I won't have it

(Radio)
Oh yeah, it's a sunny morning
Here on the 405 freeway in Los Angeles, California
It looks like it's gonna be a beautiful day
A scorcher
