"Heartbeat"

When my heart is telling me
Don't conciliate
Then my heart is telling me
I won't be here to long
Who'll be there to set me free
To the path that will lead
Where she's waiting there for me
Where the eastern winds they blow

Chorus
When I feel my heartbeat
Then I'll know I'm on my way
When I feel my heartbeat
Baby I'll be there

She'll be there to lavish me
With oils and purple roses
From across the land and seas
Bearing gifts for a king
Well no more the endless road
Now our heart will beat as one
And forever we shall be
And our souls live endlessly

Chorus
