"Here She Comes"

She stands there lonely
Just like a rose
She wears a memory
That no one knows
Inside her needing
And she'll die trying - Oh

Here she comes
Here she comes
Ain't nothing gonna save her now

Weeping in shades of gray
Should he surrender
Or should he pray
He bares no conscience
And feels no sorrow
In his heart - Oh

Here she comes
Here she comes
Ain't nothing gonna save her now

A fools ambition
Can tear you vision apart - Oh

Here she comes
Here she comes
Ain't nothing gonna save her now
