All in all you needed me  
You told me now  
But I didn't know what to say  
Told me what you felt for me  
I left you cryin'  
My head so far away  
I know that you've had loneliness  
But I'll make it up a hundred times a day

I'm sorry I  
Put out the flame  
Let you go when you were down  
I'm sorry I'm  
The one to blame  
Should have known that you would drown

I confess to selfishness as time went on  
When all that you would need  
Is for me to fill your emptiness  
But I was gone and I didn't feel you bleed

Well I'm guilty of this foolishness  
But I'll make it up a hundred times a day

I'm sorry I  
Put out the flame  
Let you go when you were down  
I'm sorry I'm  
The one to blame  
Should have known that you would drown

Repeat Chorus
