Standin' on the Corner For Ya
Crown Of Thorns
Suddenly I'm feeling unclear
Feel our love is fading what can I do
Come to me and lend me your ear
Let the curtains open and this be our que
Swear with all my heart sweet Jesus
There ain't nothing no one's got could ever reach us

Chorus:

Baby, I'll be standing on the corner for ya'
And when you cry girl you won't be alone
You look for me I'll be right there on the corner for ya'
Ah

Tried so hard to leave it alone
Girl my soul is breaking thinking of you
It was my mistake now I'm on my own
You did everything you promised me that you'd do

Now I swear with all my heart sweet Jesus
There ain't nothing no one's got could ever reach us

Chorus:

Baby, I'll be standing on the corner for ya'
And when you cry girl you won't be alone
You look for me I'll be right there on the corner for ya'
Ah
