I'm never going back .  
I just wanna right here with you .  
the way you make me feel is something that i never  
wanna lose .  
I can see it in your eyes  
Reflections of the sky the stars, the moon .  
And I don't wanna sleep .  
don't wanna miss a heart beat here with you .  
i've never felt so good .

I never wanna lose this feeling  
its keeping me alive  
i never wanna lose this feeling  
when i look into your eyes  
i can feel your heart is beating  
and the magic still alive  
i never wanna lose this feeling  
when i look into your eyes

im never coming down i jus wanna stay up here with  
you  
the way im feeling now is something that i never wanna  
lose  
when i look into your eyes i see so clearly everything i  
need  
but how can we survive in a world thats out to never let  
us be  
your everything i need

I never wanna lose this feeling  
its keeping me alive  
i never wanna lose this feeling  
when i look into your eyes  
i can feel your heart is beating  
and the magic still alive  
i never wanna lose this feeling  
when i look into your eyes

I never wanna lose your precious touch  
i wanna never wanna lose this lust  
i never wanna let you slip away

I never wanna lose the love you bring  
i never wanna lose this feeling  
lose this feeling

I never felt so good  
I never wanna lose this feeling  
its keeping me alive  
i never wanna lose this feeling  
when i look into your eyes  
i can feel your heart is beating  
and the magic still alive  
i never wanna lose this feeling  
when i look into your eyes

I never wanna lose  
i never wanna lose  
i never wanna lose this feeling  
i never wanna lose this feeling  
when i look into your eyes  
i can feel your heart is beating  
and the magic is still alive  
i never wanna lose this feeling  
when i look into your eyes
