I am your fantasy the essence of your dreams
I let you playing hard
I'm everything you need
A dream of sanity a lovable pleasant child
No, I'm not here for you
No, that would be a lie

Don't you tell me how to do things
Don't you try to kill my fame

Into the fire
Trust in my thunder
I'm loud, I'm crazy watch me runnin'
Into the fire
Can you feel the heat?
I'm hot, I'm coming watch me running free

I am the perfect cash
The smithereen of the night
And I will not agree of what you figure's right
Want me to shut up
Smile and blink my eye
But I'm not here for you
No, that would be a lie

Don't you tell me how to do things
Don't you try to kill my fame

Into the fire
Trust in my thunder
I'm loud, I'm crazy watch me runnin'
Into the fire
Can you feel the heat?
I'm hot, I'm coming watch me run

No man sweetheart pleasing her a woman
hey don't tell me how
You can start a fire and I can breathe out
And gonna feed your flames
I'm always burning brighter than you

Into the fire
Trust in my thunder
I'm loud, I'm crazy watch me runnin'
Into the fire
Can you feel the heat?
I'm hot, I'm coming watch me run
