I thought I'd met my perfect match
He had it all including me
He had the coolest guitar
He wrote me lovesong hits like
You rock my world

I was amazed by this beautiful thing

Guess I was blind by his show
I was just a part of his stupid game
The player has gone insane

Chorus
He's a rock'n'roll
Bachelor straight from hell
Posing like a fool with a
Devil's grin
He was under my skin like a fucking
Snake
Then I knew his heartbeats were

Fake

Motherfucker
Shouldn't play with
Me
You'll get burned 'cause
I rock the world
Tonight

Chorus

Check him out, you can have
Him
He will please you baby like you've
Never been
Pleased
Check him out, you can have him
'Cause
He's nothing but a nice
Tight blue jeans ass to
Me

He had the coolest guitar
He wrote me beautiful
Songs
But he lost it all tonight

Chorus
