It's time for the midnight chase,
I can't hide any longer, it's in front of me
It's time, to rise and shine,
I'm on the front line now, gotta let it loose
Who's breathing down my neck,
tryin' to hunt me down
I won't let no loser steal my crown

I push it to the limit, heading for the top
I've gotta to let it out, now or never

Run, I've gotta Run
The adrenaline rush is all that I need
Run

It's hard to measure the speed of light, with a human
eye
But I try, to make things right
and in time I'll conquer you
I need to do it faster, I gotta get away
I won't let nobody hold me down

I push it to the limit, heading for the top
I've gotta to let it out, now or never

Run, I've gotta Run
The adrenaline rush is all that I need
Run

It's time to erase the past,
I won't turn around, no I won't look back
It's time for the final round,
I'm in the front line now, gotta let it loose

I push it to the limit, I ain't gonna stop
I've gotta to let it out, now or never

Run, I've gotta Run
The adrenaline rush is all that I need
Run
