So long, goodbye, goodnight my wild delusion
It's time to turn off the lights on this illusion
We've reached the end of the line, time to go our
separate ways
It was fun while it lasted, but you were never meant to
stay

So pack all your bags and get going
Coz it's time to move out of this floor
No there's no turning back I need to get back on track
I need to go on with my life and I never wanna see you
no more

So pack all your bags and get going
Coz it's time to move out of this floor
No there's no turning back I need to get back on track
I need to go on with my life and I never wanna see you
no more

So long, goodbye, goodnight my wild delusion
It's time to turn off the lights on this illusion
We've reached the end of the line, time to go our
separate ways
It was fun while it lasted

So long, goodbye, goodnight my wild delusion
It's time to turn off the lights on this illusion
We've reached the end of the line, time to go our
separate ways
It was fun while it lasted, but you were never meant to
stay

But you were never meant to stay
You were never meant to stay
You were never meant to stay
You were never meant to stay hey
