Wait a minute  
Let me speak before you take my life  
Lemme finish  
What I came here to do before I die

Coz I just wanna be heard  
Wanna be free to speak  
Want a few minutes of your  
Time to play guitar and to sing a few lines before I  
leave  
Lemme set my spirit free

Wait a minute  
Let me speak before I lose my mind  
I won't argue  
I have lost all of the will to fight

But I just got to believe  
That you'll hear my plea  
And maybe you'll grant this poor man a little time  
Just to sing a few lines before I leave  
Lemme set my spirit free

Coz never have I felt more alive than when I have my  
six string in hand  
And until the day that I day, I'm gonna keep on playing  
my music  
For as long as I can

Wait a minute  
Let me speak before you take my life  
Now I'm finished  
There is nothing left to say but goodbye

Coz I just wanna be heard  
Wanna be free to speak  
Want a few minutes of your time to play guitar  
And to sing a few lines before I leave  
Time to play guitar and to sing a few lines before I  
leave  
Time to play guitar and to sing a few lines before I  
leave

I set my spirit free
