I was lost  
But you found me  
I was hurtin  
But you healed me  
I had questions  
But you gave me the answers in life  
That I was looking for

I was angry  
But you made me feel calm  
I was lonely and cold  
But you made me feel warmth  
I was down and out and broken  
But you made me feel  
Some hope in my life  
That I never felt before

You lifted me up  
When my life was a rut  
When my time was all up  
I was down on my luck  
You were there and you didn't give up  
Took my hand  
Placed it there by your side  
Gave me reason to smile  
You made it all seem worthwhile and for once I felt I  
was alive

When I felt alone  
You would hold my hand  
When I couldn't find the reason (why)  
You'd make me understand  
Yes you saved me from the emptiness and you filled  
my heart with the love  
That I was looking for

You lifted me up  
When my life was a rut  
When my time was all up  
I was down on my luck  
You were there and you didn't give up  
Took my hand

Placed it there by your side  
Gave me reason to smile  
You made it all seem worthwhile and for once I felt I  
was alive
