Why do I feel unhappy
Why do I feel so down
Why do I feel so lonely
Why do I wear this frown

Seems like I've fallen in a hole
Is it too late to take control?

Maybe I can grow
And maybe I can change
Maybe I can live a better way

Maybe I should give
Maybe I should take
Maybe I can make a brighter day

Why do you always hurt me
Why do you put me down
Why do you feel so angry
Why do you wear that frown

You think that there's nothing you can do
But all that you need's inside of you

Baby you can grow
Baby you can change
Baby you can live a better way

Baby you should give
Baby you should take
Baby you can make a brighter day

Sometimes it gets a little
Frightening what this world is coming to

Sometimes it gets a little
Frightening and I don't know
What to do

Maybe We can grow
Maybe we can change
Maybe we can live a better way

Maybe we should give
Maybe we should take
Maybe can make a brighter day
