Oh no, I just lost my innocense  
I'm losing control, I'm losing control  
Oh no, I can't get it back again  
I'm losing control, I'm losing control  
Could someone help me get my childhood back to me

Oh no, my heart just crumbled  
I'm losing control, I'm losing control  
Oh no, these words I fumbled  
I'm losing control, I'm losing control

Could someone tell her to send my heart back to me  
Console my hysteria, hold back the dementia  
Fill me with euphoria, let me tell the story of  
Every man growing up

Oh no, just lost my hat  
I'm losing control, I'm losing control  
Oh no, I can't get it back  
I'm losing control, I'm losing control  
Could someone help me to take back my sanity  
Could someone help me to get back up on my feet  
Could someone help me get my hat sent back to me

Send it back to me  
Send it back to me  
Send it back to me  
Send it back to me  
Please send it back to me
