Do U wanna go dancin?  
In a club?  
We could have a good time and live it up.  
Sed if U wanna go dancing U gotta wear a tuxedo  
And we could do the tango whereva we go  
Sed if U wanna do the tango then we're gonna need a  
ballroom  
So she took me by the hand and led me to her  
bedroom  
And then she did it...stripped me half naked  
And told me that her body was sacred.  
She sed I could take it, if I danced with her  
But sumhow I knew that she was an indian giver

I sed 'what about tomorrow??'  
She sed 'what about tonight??'  
She sed 'trust me baby itll be alright'

She walked in wearin stiletto boots  
First woman, weddin then honeymoon,  
This girl that I thought I knew so well  
Didnt know her until we hit the hotel  
And we're on the dancefloor, by the seashore  
She sed 'these nights we dance together is what I live  
for'  
I sed 'what about before, before these nights??'  
She sed 'ask me no questions and ill tell U no lies'

I sed 'what about tomorrow??'  
She sed 'what about tonight??'  
Trust me baby itll be alright'

And so we danced and danced and danced and  
danced and danced  
So we danced and danced and danced and danced  
and danced all night.

12 o' clock the music stopped [music fades out to  
silence]  
She walked away from me and took her shoes off  
And she sed 'thats it'

And I knew it,  
She sed 'we cant dance without music.' [music starts  
up again]

I sed 'we can dance tomorrow'  
She sed 'we've already danced tonight, trust me baby  
ull be alright'  
It'll be alright.  
It'll be alright.
