No comparison in our lives.  
You've never lived a day in your life.  
Where I've been and what I've seen.  
You can say the same about me.

And I can live with that, can you?  
We all have the choice to choose  
What we do with our lives.  
I've never lived a day in your eyes.

No you don't.  
You might agree but no you don't relate.  
No you don't.  
You might agree but no you don't relate.

Sometimes I wish that I was in your shoes,  
Doing all the things that you do.  
That's how you know that I am human inside.  
I'm not afraid to question my life.

And I can live with that, can you?  
We all have the choice to choose.  
What we do with our lives.  
I've never lived a day in your eyes.

No you don't.  
You might agree but no you don't relate.  
No you don't.  
You might agree but no you don't relate.

No you don't.  
No you don't relate.

I wish you could. But you can't. Is that sad? No you  
don't relate.
