Every me and every you

Sucker love is heaven sent
You pucker up, our passion's spent
My hearts a tart your body's rent
My body's broken yours is bent
Carve your name into my arm
Instead of stressed I lie here charmed
Cause there's nothing else to do
Every me and every you

Sucker love a box I choose
No other box I choose to use
Another love I would abuse
No circumstances could excuse
In the shape of things to come
Too much poison come undone
Cause there's nothing else to do
Every me and every you (x2)
Every me

Sucker love is known to swing

Prone to cling and waste these things
Pucker up for heaven sake
There's nothing been so much at stake
I serve my head up on a plate
It's only comfort calling late
Cause there's nothing else to do
Every me and every you (x2)
Every me
Every me and every you
Every me

Like the naked leads the blind
I know I'm selfish I'm unkind
Sucker love I always find
Someone to bruise and leave behind
All alone in space and time
There's nothing here but what here's mind
Something borrowed something blue
Every me and every you (x2)

Every me
(x2)
