We've come a long, long way together Through the hard times and the good I have to celebrate you, baby I have to praise you like I should

I have to praise you like I should

I have to praise you
I have to praise you
I have to praise you
(la la la, la la la la, la la la la la,
la la la la la, la la la la, la la la la la,
la la la la la, la la la la la la)
I have to praise you

We've come a long, long way together Through the hard times and the good

I have to celebrate you, baby I have to praise you like I should

I have to praise you I have to praise you I have to praise you I have to praise you

I have to praise you I have to praise you I have to praise you I have to praise you like I should

I have to praise you

I have to praise you (do da do, do da do)
I have to praise you
(la la la, la la la la la, la la la la, la la la la la)
I have to praise you
(la la la, la la)
