1 owner, hardly used
Low mileage
Medical records
No refunds or exceptions
Her spine is in very good condition

\$6000 for her eyes

Taken from the earth
I'm severing your throat
Don't wake
Cutting up your corpse
To sell on to others

Credit cards are swiped, now
Sell your body parts
It's OK
How else can we make a living?

I'll take the parts and dismember
The lower limbs and all that you desire
It's like cutting a potato
Peeling the skin and tearing the rest off

An arm here, body there
On offer to the highest bidder
We're shipping straight to you
At the standard rates

Would you sell the parts of someone
That you loved and cared for
Only to find them on someone else?

A single body
A forearm and hand

Taken from the earth
I'm severing your throat
Don't wake
Cutting up your corpse
To sell on to others

Credit cards are swiped, now
Sell your body parts
It's OK
How else can we make a living?

I'll take the parts and dismember
The lower limbs and all that you desire
It's like cutting a potato
Peeling the skin and tearing the rest off

An arm here, body there
On offer to the highest bidder
We're shipping straight to you
At the standard rates

Would you sell the parts of someone
That you loved and cared for
Only to find them on someone else?
