You can tiptoe around  
And you can ask me how I am today  
And i'll tell you I feel fabulous  
And you're damn right

Communication is overrated  
It leads to hair loss  
But I feel so fabulous this time  
The valley of decision is near

I'll never be so weak again, No...  
And if the walls are caving in  
I won't be scared- not at all  
I'm the ultimate fighting champion  
Thanks to you  
Wake up, dust off  
Stake my claim on my attention  
For me this holds paramount  
It looked like a job for MacGuiver  
To try and detonate this heart-bomb  
But the clouds are clearing up  
And it feels good

Communication is overrated  
It leads to hair loss  
But I know that I won't  
Be the one to pull mine out  
Just around the corner- go!

Always the one to stay  
But now i'm number one today
