There's one pet I like to pet,  
And every evening, we get set.  
I stroke it every chance I get;  
It's my girl's pussy.  
Seldom plays and never purrs,  
But I love the thoughts it stirs,  
And I like it 'cause it's hers;  
It's my girl's pussy.  
Often, it goes out at night - returns at break of dawn.  
No matter what the weather's like, it's always nice  
and warm.  
I bring tidbits that it loves;  
We spoon like two turtledoves;  
I take care to remove my gloves  
When stroking my girl's pussy.

What a precious thing to handle;  
No one else could hold a candle;  
\*\*\*\*\* lovable and sweet!  
There's one pet I'd like to pet,  
And every evening, we get wet.  
I stroke it every chance I get;  
It's my girl's pussy.  
Seldom plays and never purrs,  
But I like the thoughts it stirs,  
And I never mind because it's hers;  
It's my girl's pussy.  
Often, it goes out at night - returns at break of dawn.  
No matter what the weather's like, it's always nice  
and warm! Oh, yeah, yeah!  
Never dirty - Always clean.  
At giving thrills, it's never mean.  
That it's the best I've ever seen;  
It's my girl's pussy.

It's my girl's pussy.

It's my girl's pussy.

It's my girl's pussy.
