You Jesus freaks are all the same  
Cashing in by using his name  
So much reform and so many views  
Sounds like you're really confused  
I think you should all get the axe  
For spreading all of your shit  
The flame should be extinguished now  
Before another candle is lit

Run away from life  
Religion's all you've got  
I don't really care  
If you were born again or not  
Born with a belief  
Never told I'm right  
Don't need brainwashed people  
Telling me to see the light

Spend all your life  
Awaiting your turn  
I was born with a belief  
But you had to learn  
Or did you believe  
Before the book was fed to you  
You never knew

Born again, born to see  
Blind by faith, your eyes tell me

Spend all your life  
Awaiting your turn  
Heretic to me  
I guess you should burn  
Or did you believe  
Before the book was fed to you  
You never knew

Born again, born to see  
Blind by faith, your eyes tell me

Spend all your life  
Awaiting your turn

Heretic to me  
I guess you should burn  
Or did you believe  
Before the book was fed to you  
You never knew
