Crunchy
Crunchy
Well you know you are a sweet little peacemaker
Crunchy
And you know you are a gender role breaker
Crunchy

I want you to take me home
But I got a Y chromosome
I got to be all yours, indoors
Crunchy Lady

Crunchy

Crunchy
I see you with your multi-pierced ear
Crunchy
I don't care if you wear a brassiere
Crunchy

We're two of a kind
We both really dig womankind
I got to be all yours, indoors
Crunchy lady
