Oh fuck! I'm in this crummy mood again,
Where I'm being a dick to even my best friends.
I'm saying a bunch of shit I don't even mean & I'm
getting pissed off for stupid reasons.

I don't know why I act like this,
But I know it'll blow over and things will be fine.
Cuz when you're as tight as us we can find it in our
hearts to put it aside.

Holding a grudge - that ain't cool at all.
I'm a little irritated, just gimme a while.
I hope you understand I didn't mean shit,
And if you really needed me, I wouldn't be such a dick.

I don't know why I act like this,
But I know it'll blow over and things will be fine.
Cuz when you're as tight as us we can find it in our
hearts to put it aside.

To tell you the truth, I'm scared as fuck.
I'm losing touch with so many of you,
Cuz I'll never have the balls to thank you for sticking by
me no matter what stage I went through.

But when the friendship's this thick - it's not hard to
forgive.
And when the friendship's this thick - we both know
we're better than this.

Fuck that! Real friends don't break like this.
We'll learn to put up with each others shit and just
hang!
