Believe in Myself

When I'm alone in my chair, I just go about wishing  
I wanna be strong, I really want to be trusted  
When all alone in my bed, I just go about yearning  
I wanna be cool, I also want to be like you

But that's not something I do so easily  
This is not simply my way, my style  
Gotta get a hold on my life

I wanna fly high so I can reach the highest of all the  
heavens  
Somebody will be waiting for me so I have gotta fly  
higher  
Gotta keep going everything is a great new challenge  
for me  
I will believe in myself  
This is the only start for me

When I'm alone in my sleep, I just go about dreaming  
I see myself there, having the same adventure

If I just follow you, I will never see the light  
Now's the time to find my way through this life  
I'm trying so hard to be strong

I wanna fly high so I can reach the highest of all the  
heavens  
Somebody will be waiting for me so I have gotta fly  
higher  
Gotta keep going everything is a great new challenge  
for me  
I will believe in myself  
This is the only start for me
