Hey ya'll, Welcome to the greatest storm,
I know, you have waited much too long,
And I, I will be your shining star,
I'm here, here to conquer near and far!

Like a sword, I Run, into the heat of day!
Like a Knight, I'll fight, untill the fight is won!
In the Rage, I'll save, each and every, each and every,
each and everyone,
Till this war is won!

And I live, to rule, by the sword, slashing through the
every inch of the power,
The power in you!
As I sit, as I stand, by the table I command, my
Kingdom!
I'm the Knight of the Wind!

Hey Ya'll, welcome to the end is near! I know, I will
bring you pain and fear!
On the ground, to the sky, faced with you and I!
In a flash, I'm gone, holding your crown high!
In a Rage, I'll save, each and every, each and every,
each and everyone,
Till this war is won!

And I live, to rule, by the sword, slashing through the
every inch of the power,
The power in you!
As I sit, as I stand, by the table I command, my
kingdom!
I'm the Knight of the Wind!
The Knight of the Wind, I'm the Knight of the...

My Castle is a massive force!
A Stronghold of power!
My Armor stays Un-Breakable,
In battle every hour!
