It's been a long, rough road  
And I'm finally here  
I move an inch forward,  
Feels like a year

Everything you feel,  
It's so unreal  
Is it true?  
Is it true?

I take one step forward  
Two steps back  
I have a hundred-thousand pounds  
Sitting on my back

Up, down  
All around  
Don't know quite what to do  
To get through

Well I'm on my way  
On my way  
On my way  
On my way

Here I am (Here I am)  
Made it to  
The end of you

Never had a chance when I'm around (No, No)

No No No No

Well now I'll never turn back (Never turn back)  
I'll never turn that way  
No matter how life tries to face me,  
I turn the other way

Now and then (Now and then)  
My head starts to spin (Starts to spin)  
I'll never turn back... again! (No, no! )

From this moment on (Moment on)  
I am moving on (Moving on)  
And I'll never turn back! (No! )

I guess I'm doing alright  
I'm on my way  
Facing every moment  
Day by day

Take a chance,  
Slip on by,  
Got no time to answer why,  
Head straight,  
I head straight

What will I become if I don't look back?  
Give myself a reason, for this and that

I can learn  
No, U-Turn  
I can stay right here where I'm at.  
Where I'm at!

Well I'm on my way  
On my way  
On my way  
On my way

Here I am (Here I am)  
Made it to  
The end of you

Never had a chance when I'm around (No, No)

No No No No

Well now I'll never turn back (Never turn back)  
I'll never turn that way  
No matter how life tries to face me,  
I'll turn the other way

Now and then (Now and then)  
My head starts to spin (Starts to spin)  
But I'll never turn back... again! (No, no! )

From this moment on (Moment on)  
I am moving on (Moving on)  
And I'll never turn back! (No! )

I...

I...  
I'll never turn back!
