[Verse 1]

No such thing as fate for those who speed
A path out of time instead of just living it
So many things erased before they begin
Hopes un-dream instead of what could have been

Fortune fades like words in the sand
Just like that it nothing it all just seems
Nothing it all just seems

Fortune shines with seven in hand
Back to fact make real of all that seems
Make real of all that seems

[Chorus]

Seven rings in hand speed through nights with feet in
sand
Seven rings in hand wonders all under command
Seven rings in hand wild with just one single hand
Seven rings in hand arrowed hearts catch fire now

Make-believes reborn, Make-believes reborn
Myths in mind re-thought, Myths in mind re-thought
Question all that's known, Question all that's known
Legends blurred and torn

[Verse 2]

No such thing as an arrow through who dreams
Hopes may burden but forever last to give in
So many things need a push or pull to begin
Un-free to move unless another hand gets in

Be it all the same it's never the same
Just like that just nothing it all just means
Nothing it all just means

If all as is then it's never as is
Back to fact make real of all that seems
Make real of all that seems

[Chorus]

Memories that dance, Memories that dance
Fairy tales in trance, Fairy tales in trance
Know what to believe, Know what to believe
Nothing is up to chance, Nothing is up to chance

Make-believes reborn, Make-believes reborn
Myths in mind re-thought, Myths in mind re-thought
Question all that's known, Question all that's known
Legends blurred and torn

-Instrumental-

[Chorus]

Seven rings in hand
Nights with feet in sand
Seven rings in hand
Seven rings in hand

Make-believes reborn, Make-believes reborn
Myths in mind re-thought, Myths in mind re-thought
Question all that's known, Question all that's known
Legends blurred and torn, Legends blurred and torn,
Blurred and torn

Seven seas in hand
Speed of sound through sands
All our hopes and plans
In one single hand
