What goes up must come down
Yet my feet don't touch the ground
See the world spin upside down
A mighty crash without a sound
I can feel your every rage
Step aside I'll turn the page
Breakin' thru your crazy maze
Like a laser beam my eyes on you

*Watch me rule the night away
Watch me save the day
Feel my storm is getting close
Headed your way

+Sonic Heroes
Sonic Heroes
Bind you confine you defying your reign
Sonic Heroes
Sonic Heroes
Setting the stage for a heroes parade

I won't even hesitate
A second left to alter fate
And you try to strike but a bit too late
Got you hooked by my own bait

You can bet there ain't no doubt
As the words spill from the mouth of a hero
I can chase another day
Fight you all the way
Like a hero

And together we stand tall no matter how
No one can bring us down...
