Verse 1

I can't remember
Anything at all
I've been turning it all around
I'm sorry
So sorry
Is this what I have become

Chorus

Wish I may
Wish I might be someone else tonight
Sometimes I wish I was never born at all
And I'll try to save the world
Cause in the end I know
I'm the chosen one
I'm the chosen one

Verse 2

I can't remember
What I used to be
Something's turning me upside down
You made me
I love you
But I can't change things I've done

Chorus
