I don't care what you're thinking  
As you turn to me  
Cos what I have in my two hands  
Is enough to set me free  
-Set me free-

I could fight the feeling to resist it over time  
But when it's just too much to take you sneak from  
behind

Is it me, you said, you're looking for?  
Let me show you who I am  
And what I'm here for, here for

Hey!

Try to reach inside of me  
Try to drain my energy  
Let me show you just  
What I'm made of  
Simple curiosity  
Try to take a bite of me  
Let me show you just  
What I'm made of now

Like a million faces  
I've recognised them all  
One by one they've all become  
A number as they fall  
-As they fall-

In the face of reason  
Oh I can't take no more  
One by one they've all become  
A black mark on the floor

Is it me -Is it me?-  
You said -You said?-  
You're looking for?  
Let me show you who I am  
And what I have in store, in store

Hey! Hey! Yeah!

Try to reach inside of me  
Try to drain my energy  
Let me show you just  
What I'm made of  
Simple curiosity  
Try to take a bite of me  
Let me show you just  
What I'm made of now

You can take another lifelong try  
You can take another try  
Hey!

(Guitar solo)

Yeah!  
Try to reach inside of me  
Try to drain my energy  
Let me show you just  
What I'm made of  
Simple curiosity  
Try to take a bite of me  
Let me show you just  
What I'm made of now

Yeah, try to reach inside of me -Show you what I'm  
made of-  
Let me show you just -Show you what I'm made of-  
What I'm made of
