all around I see what will come  
just a breeze from a raging storm  
all the signs are gathered shades  
we are stained from the steps you've made

you wanted all you're walking alone  
it's a bittersweet tragedy oohhh  
you wanted all you're walking alone  
it's a bittersweet bittersweet tragedy

I am blinded and fooled by fear  
as puppets in a cold dark play  
we are trapped inside a cage  
until this downward spiral ends

you wanted all you're walking alone  
it's a bittersweet tragedy oohhh  
you wanted all you're walking alone  
it's a bittersweet bittersweet tragedy
