Help me to get through my mission inside  
Help me to respect who I am  
Show me something real I understand  
I wish that I could feel  
Read between the lines  
And maybe you'll find out  
What they are made of  
Why they shine so bright  
Help me to forget sunshine today  
Help me find out where I am  
I wasn't aware of the pain to come  
I wish that I could feel  
Fly into the sun, but never touch the light  
Read between the lines  
And maybe you'll find out  
What they are made of  
Why they shine so bright
