[ "...This song is dedicated to Jennifer Berg that lost her world 00-05-28. Carry on even if it's hard, with love Klas" ]

Give her love and protection  
give her all, all the things she need  
give her faith and a reason  
make her feel brighter than the sun

tell her that she's special  
tell her that she's valuable  
carry on for tomorrow  
carry on even if it's hard

[Chorus]

Leave him in the sunset 28  
to remember the moments in the sun  
and the diamond that lost her world today  
will keep on shining brighter than the sun  
Ease her pain and her guilts  
tell her that no one really knows  
help her find new solutions  
help her while she is still a child  
without no farewell  
we will never forget the moments in the sun

[Chorus]
