I have been where silence dwell
tried to keep you far away
I feel something's still around
it has been kept from us

all illusions are just fractions
of the fears that they stole from your mind

I can touch what you can't reach
I cannot hold them back aahhh
all illusions seems so real
I can touch what you can't reach
I cannot hold them back aahhh
it's the outpost of my mind

when the darkness came you saw
now i share what you believe
you are in my silent room
now i understand it

all illusions were just fractions
of the fears you carried all the way

now you touch what i have reached
you cannot hold them back aahhh
all illusions seems so real
now you touch what i have reached
you cannot hold them back aahhh
it's the outpost of our minds

I can touch what you can't reach
I cannot hold them back aahhh
all illusions seems so real
I can touch what you can't reach
I cannot hold them back aahhh
it's the outpost of my mind
