All your life you've been walking the road  
The road of the poor  
You will do whatever it takes  
To make it all shine  
Wanna be rich and famous?  
Wanna be Mr Gold?  
Doesn't matter what it costs  
Your life is on loan

Searching, searching you are never pleased  
Going, going and you're never going back

Gone for gold - search across the land  
Gone for gold - treasure's in your hand  
Mr Gold - future lay ahead  
Mr Gold - so you find it or be dead

Yes it seems that you can do  
Whatever it takes  
To make your own world good  
Never ashamed  
But when you reach your final goal

And all is fine  
You will stand there all alone  
Alone in the world

Searching, searching, you are never pleased  
Going, going and you're never going back

Gone for gold - search across the land  
Gone for gold - treasure's in your hand  
Mr Gold - future lay ahead  
Mr Gold - so you find it or be dead  
I am Mr. Gold

Searching, searching you are never pleased  
Going, going and you're never going back

Gone for gold - search across the land  
Gone for gold - treasure's in your hand

Mr Gold - future lay ahead  
Mr Gold - so you find it or be dead
