Let me take on eternity
Taking one more step, and let it rip through me
I'm building up my nerve
So you can wish me well
Be sure, I will be there
From pride we'll fall

Bye bye, Babylon
Was reaching for the sun
Depraving everyone
So don't you know?
You don't belong

Bye bye, Babylon
Now scattered, you will run
Left burning in the sun
Prepare to be...
Bye bye Babylon
... be gone

Unseen
The prime obstruction is facing me
Wanting to retreat, but you wont let me be
I'm calling for belief
Be sure, I will be there
And you will fall

Bye bye, Babylon
Was reaching for the sun
Depraving everyone
So don't you know?
You don't belong

Bye bye, Babylon
Now scattered, you will run
Left burning in the sun
Prepare to be...
Bye bye Babylon
... be gone

Bye bye, Babylon

... be gone

Bye bye, Babylon

... be gone
