Men sure is deceitful and they's gettin' worser ev'ry
day
Men sure is deceitful and they's gettin' worser ev'ry
day
Act like a bunch of women, they's just-a gab, gab,
gabbin' away

There's two things got me puzzled, there's two things I
can't stand
There's two things got me puzzled, there's two things I
can't stand
A mannish actin' woman and a skippin' twistin' woman
actin' man

I used to love a man, he always made my poor heart
ache
I used to love a man, he always made my poor heart
ache
He was crooked as a corkscrew and evil as a
copperhead snake

I know a certain man who spent a year runnin' a poor
gal down
I know a certain man who spent a year runnin' a poor
gal down
And when she let him kiss her, the fool blabbed it all
over town
