It's a long road, but I'm gonna find the end  
It's a long road, but I'm gonna find the end  
And when I get back, I'm gonna shake hands with a  
friend

On the side of the road, I sat underneath a tree  
On the side of the road, I sat underneath a tree  
Nobody knows the thought that came over me

Weepin' and cryin', tears fallin' on the groun'  
Weepin' and cryin', tears fallin' on the groun'  
When I got to the end I was so worried down

Picked up my bag, baby, and I tried it again  
Picked up my bag, baby, and I tried it again  
I got to make it, I've got to find the end

You can't trust nobody, you might as well be alone  
You can't trust nobody, you might as well be alone  
Found my long lost friend and I might as well stayed  
home
