Gals, bed bugs sure is evil, they don't mean me no
good

Yeah, bed bug sure is evil, they don't mean me no
good

Thinks he's a woodpecker and I'm a chunk of wood

When I lay down at night, I wonder how can a poor gal
sleep

When I lay down at night, I wonder how can a poor gal
sleep

When some is holding my hand, others eating my feet

Bed bug as big as a jackass¹, will bite you and stand
and grin

Bed bug as big as a jackass, will bite you and stand
and grin

Will drink all the bed bur for them turn around and bite
you again

Something moan in the corner, I went over and see

Something moan in the corner, I went over and see

It was the bed bug a prayin', Lord, gimme some more
cheese
