Taken by surprise you've found  
a way inside my heart.  
a heart that has been hurt and  
Torn by love so many times.  
dreams of you  
and the day we fall in love  
Fill up my mind all day  
So all that i have left to say is..

(chorus)  
Please take this piece of my heart  
And never let it go.  
Things may not work out quite right  
But i won't lose hope.

And I didn't see you coming  
You walked through my hearts' doors  
Where i'm so vulnerable and very few will get inside.  
Dreams of you and the day we fall in love fill up my  
mind all day  
So all that i have left to say is.

(chorus)

i know i'm not the one who makes your life complete.  
The one who you thought is so charming and sweet.  
This feeling inside burns deeply for you.  
It's not who you are but it's all that you do.

(chorus)

But i wont lose hope(4times)
