I've cried and worried, all night and I laid and groaned
I've cried and worried, all night and I laid and groaned
I used to weigh two hundred now I'm down to skin and
bones

It's all about a man who always kicked and dogged me
'round
It's all about a man who always kicked and dogged me
'round
And when I try to kill him that's when my love for him
comes down

I've come to see you gypsy, beggin' on my bended
knees
I've come to see you gypsy, beggin' on my bended
knees
That man's put something on me, oh take it off of me,
please

It starts at my forehead and goes clean down to my
toes
It starts at my forehead and goes clean down to my
toes
Oh, how I'm sufferin' gypsy, nobody by the good Lord
knows

Gypsy, don't hurt him, fix him for me one more time
Oh, don't hurt him gypsy, fix him for me one more time
Just make him love me, but, please mam, take him off
my mind
