Sometimes I need a sign to get the power
The sharp pain inside is killing me

Im waiting for my turn
It seems so unreal
I wont take control
Just tell me Im wrong

I dont look back
I lost my way
No fairytale
Escape from burning hell
Yes, I can tell

Am I free?
Yes, Im free and I see
The door is open
I just turned the key
Am I free?
Yes, Im free and I see
The door is open
I just turned the key

Why cant I find the minds that made me strong?
Why cant I learn to feel whats right and wrong?

Too blind to see that Im an ignorant child
The hurt inside my heart is so hard to hide

I dont look back
I lost my way
No fairytale
Escape from burning hell
Yes, I can tell

Am I free?
Yes, Im free and I see
The door is open
I just turned the key
Am I free?
Yes, Im free and I see

The door is open
I just turned the key
