I see your wounded soul
Hear your silent cry
You're down in the corner
And you wanna die

You're living in a world
Living in a cage
Searching for some words
But you fly into rage

Losing ground of life and fantasy
That is not the way that it should be

Dance with the devil
You're close to lose your soul
Dance with the devil
You've gotta roll (tonight)

You'll never see the sun
When you're hidden in hell
Only hate and fright
Is what you sell

You feel so understood
Doing things in hate
Searching for an answer
But you're still afraid

Losing ground of life and fantasy
That is not the way that it should be

Dance with the devil
You're close to lose your soul
Dance with the devil
You've gotta roll (tonight)

Dance with the devil
Follow my empire
Gamble with your soul
And I'll take you to your goal
