You're lost in the night  
You know you got the wrong way  
No hope in your heart  
Your dreams are flowing away

You can't erase the past  
Traces of pain  
Desires and longings will not remain

Behind the door  
You'll see the daylight  
Of liberation

Feel the passion inside  
Spread your wings and fly  
Feel so free like an eagle in the sky  
With power and spin  
You'll get the chance to win  
Now it is time to stand upright

Don't hesitate  
The future is in your hands  
You turn the key and you'll see  
Where you stand

Behind the door  
You'll see the daylight  
Of liberation

Feel the passion inside  
Spread your wings and fly  
Feel so free like an eagle in the sky  
With power and spin  
You'll get the chance to win  
Now it's time to stand upright

Feel the passion inside  
Spread your wings and fly  
Feel so free like an eagle in the sky

Feel the passion inside

Spread your wings and fly  
Feel so free like an eagle in the sky

Feel the passion inside  
Spread your wings and fly  
Feel so free like an eagle in the sky
