Horresco referens  
In girum imus nocte et  
Consuminur igni  
Horresco referens  
Subi dura a rudibus  
Omnia vincit infernum

Trapped in this world  
This land of fear  
Where the cold wind of north  
Tortures my skin  
In this crazy world  
Where my frozen hands  
Just want to stay alive  
I just want to find the key  
The key of the Crystal Castle  
Where the heart of all the seasons  
Will turn to eternal spring  
An ocean of tears

[Chorus:]  
Flow from the eyes  
Of thousands kings  
The frozen screams of agony  
The dragon's fire  
Deep in my eyes  
The hero cries

But stays alive  
(Flow from the eyes  
Of thousand kings  
The screams of pain and agony  
The rage of gods  
Throw rain of tears  
Eyes of kings will stop to cry)

It's just the beginning  
The beginning of a holy crusade  
At the sacred heart of  
The Crystal Castle

After the eternal winter

All the people of the ancient valley

Will raise their voices  
To the salvation of a new king  
Freedom my friends

[chorus]
