It seemed that out the battle  
I escaped Walking down  
The stairs of the burning tower

[Chorus:]  
By the vision of a thousand pains  
I realized the truth  
On a throne made of broken wings  
The evil sings his dark prophecy

In the mourning, I've drawn  
Back the path of hope  
And see the sordid destiny  
Of a million children

In the crimson venom of their father  
A million children baptized  
And creeping for eternity in pain

[chorus]
