A long time ago when  
My peaceful dream  
Surrounded my realm  
The macabre march of demons  
Army's coming closer  
The green mountain's tears  
Wash all my fears  
But something is coming

[Chorus:]

Save us, from the rage of hell  
Save us, from the dark storm reign

The sky turns black  
The dark storm is back  
Come from hell

To destroy our land  
The village's burning  
My family is dying  
The ashes of my  
Brothers, I cry

[chorus]

In the illusion I live

To forget my realm  
My heart and my empty soul  
Are forever lost and cold

Now it's time for my revenge  
I'm mighty and  
I'll bring you Back to hell

Potestatem detestabilis  
Mundo victa ama me fideliter  
Stillantibus ocellis  
Mundo victa  
Descendo minauratus

The red clouds in the sky

Throw a rain of fire  
And left me so alone  
In my broken land  
Empire falls  
Rivers of blood  
Dark in the sun

[chorus]

Destiny of my land
