Like an axe on a virgin skin  
My demons burn their souls  
And broke the purity  
Nobody knows, but I know

The silent voice of insanity  
Guides my senses  
The killing taste and  
The smell of hate  
My soul's getting cold

[Chorus:]  
This is not a tale  
From my broken soul  
This hopeless letter  
Shows you the portrait  
Of my mind  
Behind the masquerade  
Of reality  
Innocent cries haunted  
My dreams  
The whisper from the lips  
Of the angel of death  
Like the silent voices  
Of insanity

The tender screams of pain  
Caress my thirst of hate  
I feel the sorrow  
In their eyes

[chorus]

Out of control  
Murderer I am  
Blood on my hand,  
Ears of rage  
Madman I am  
She never cries again

Seven sins seven victims  
I feel the sorrow in their eyes

Seven souls will never rest in peace  
Seven sins seven victims  
My life is made of chaos  
Insane voices  
In a nightmare we live  
Made of chaos  
From the other side  
They follow me  
Insanity is reality  
If you know who I am  
You'll never sleep again
