Love kogoeta HAATO no oku de kizuita  
Just sono hitomi sotto furete mita toki  
I realized love in my frozen heart  
It was just when your eyes gently touched me

Toorisugiru kaze no iro wo kazoenagara nando mo  
Hitori de tashikametsuzukete mita yo  
Kono omoi kimi e no feeling  
While counting the colors of the breeze that passes by,  
I confirm it over and over alone  
This love is a feeling I have for you

Zutto soba ni itai dare yori mo koishii kara  
Takanaru mune no kodou osaekirezu tomadou kedo  
Sunao ni suki da to ieru tsune ni kokoro odorasete  
Otogibanashi shinjiteta koro no kimochi wo ima  
omoidashita  
Kimi no egao ni okuru yo my song for you  
I always want to stay by your side because you're more  
dear to me than  
Anyone else  
The throbbing beat of my heart is out of control & I'm  
confused, but  
I can tell you honestly that I love you; you always make  
my heart skip  
I now remembered the feeling when I believed in  
fairytales  
I will send my song for you to your smile

Love sabishii namida hohoemi ni mo kaete yuku  
Your nukumori ni tsutsumareru kara  
Love changes the lonely tears into even a smile  
I'm wrapped up by your warmth

Nagarete iku kumo no hayasa kanjinagara shizuka ni  
Futari de tashikametsuzukete miru yo  
Kono omoi kimi to no feeling  
While we feel the speed of the drifting clouds,  
we quietly continue to confirm together  
This love is my feeling for you

Zutto soba ni itai nani yori mo itoshii kara

Dakishimerareru tabi ni yume no mukou miete kuru yo  
Sunao ni suki da to ieru tozashiteta mado wo akete  
Harewataru sora ni deaeta kono kimochi wo ima  
utainagara  
Kimi no egao wo mamoru yo my song for you  
I always want to stay by your side because you're more  
precious than  
Anything  
Whenever I can hold you, I can see beyond the dream  
I can tell you honestly that I love you; I opened the  
closed window  
& could meet the clear sky; now while singing my  
feelings  
my song for you will protect your smile

Love kogoeta HAATO no oku de terasu hikari  
My song for you  
Love is a light that shines in my frozen heart  
my song for you
